# SENIORS

Spring Treasurer Cathy Shedlock, President Jerry Rugg, Secretary Stephanie Evans. Missing is Vice President Sam Bower.

When we came to Samo in September, 1966, as Sophomores, we began to organize our class with the election of Dean Gerrie as President, Della Ranslem as Vice President, Cathy Nelson as Secretary, and Kathy Duggan as Treasurer. We also became acquainted with our class sponsor, Mr. William Richards, who has helped us tremendously. Under the leadership of our Spring officers, President Mark Ryavec, Vice President Kathleen Smith, Secretary Nancy Olsen, and Treasurer Nici Ando, we began raising money with a successful, although very wet, carwash in the Circle, sometimes taking time out for a sponge fight. After seemingly endless bouts with the staple-guns, our class won the class competition and second overall during the Spring Homecoming with our "Psychedelic Scrubs" made out of tinfoil tufts, balloons, and bubbles hung over the side of the History Building. The year ended with a beach party.

We returned as Juniors, led by President Wendy Miller, Vice President Susie Mannon, Secretary Liz Callen, and Treasurer Pete Stanger. During Homecoming our tufted, walk-through Viking Helmet on the steps of the History Building won second in the class competition. Our class energetically sold football programs to raise money for the Prom. We also sold scented candles in brandy glasses over Christmas. All of us began working on the Prom early—auditioning bands all over the Los Angeles area from San Fernando to Glendora. We continued those band auditions in the Spring under the able leadership of President Steve Descollonges, Vice President John Harris, Secretary Susie Roberts, and Treasurer Della Ranslem. We won the Sweepstakes award during the Spring Fever Homecoming when all of us assembled flowers and had a moonlight planting festival on the Greek Theater grass. We held our very successful Prom, "Love Is Blue," on May 10 at the Riviera Country Club. The exciting year was brought to a close by a Board snatch breakfast and a beach party.

As mighty seniors we continued our fantastic Homecoming energy under the leadership of President Gary Williams, Vice President Mitch Gooze, Secretary Bonnie Slepak, and Treasurer Teri Copeland. Towering over the Vikeland quad was our three-stage tufted rocketship, greeted by crowds of yellow balloon men leaping over steaming craters. It won the Sweepstakes award in the competition. We again sold our scented candles over Christmas. In the Spring, under the leadership of President Jerry Rugg, Vice President Sam Bower, Secretary Stephanie Evans, and Treasurer Cathy Shedlock, we worked diligently to make our senior play, "Finian's Rainbow," a smashing success. We decided upon our senior gift. Our three year stay at Samo was brought to a tearful close at our graduation ceremony and Grad Night at Disneyland.

Our spirit has been unequalled. We have seen Samohi change through our own projects and the many building activities on campus. We have made many friends who have enriched our lives. It has truly been a time to remember.

# "FINIAN'S RAINBOW"

Rene Alvarez as Ogg

Chris Huston as Finian

Susie Roberts as Sharon, and Joe Oliva as Woody.

The Senior Class play this year was "Finian's Rainbow," a musical by Burton Lane and E. Y. Harburg. "Finian's Rainbow" is a joyful fantasy of Ireland's Finian McLonergan. In the musical, Finian decides that America is rich because she buries her gold near Fort Knox. The plot revolves around his attempt to become as wealthy by doing the same.

The musical was directed by Mr. Eugene Jellison. The choreography was done by Mrs. Carol Caniglia, and the orchestration by Mr. Gerald Anderson, while Mr. Donald Bremer supervised the singing and Mr. Fred Purucker was in charge of stage design.

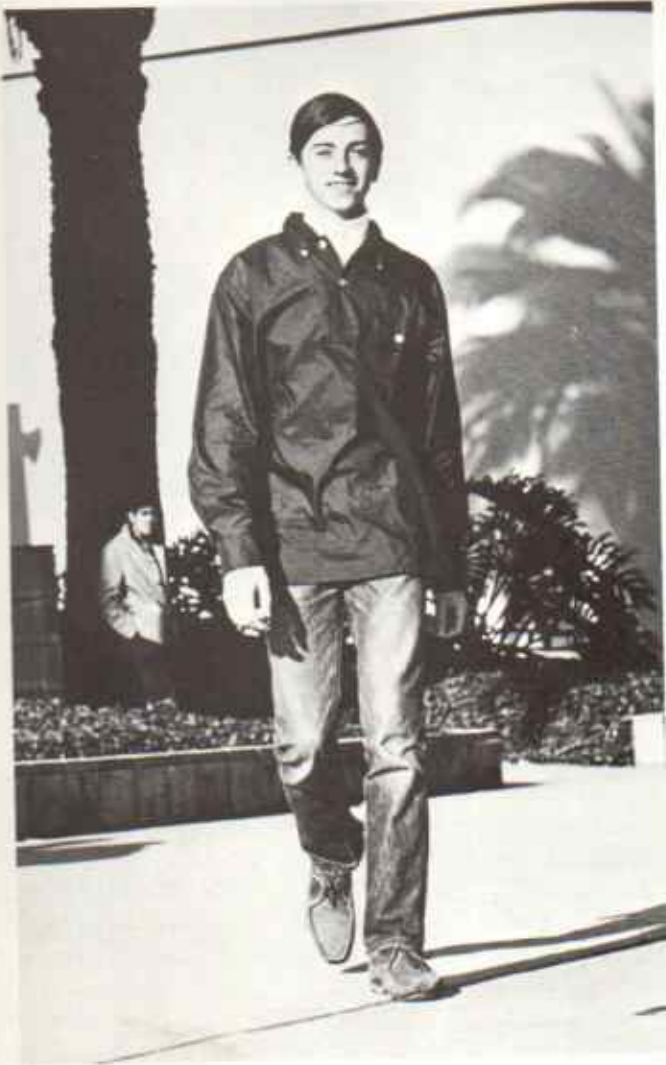

Leading characters were: Joe Oliva, Woody; Susan Roberts, Sharon; Rene Alvarez, Ogg; Lynne White, Susan; Chris Huston, Finian; and Bob Brode, Senator Rawkins. Other characters included Steve Paull, Scott Winner, Doug Ridger, Mark-Gary Sanders, Valerie Clarke, Charles Glau-bach, Tony Brown, Paul Joseph, Mark Ryavec, Lee Hansard, Martin Fen-tress, Ron Margolis, Lynne Farley, Wendy Petty, and Kathleen Smith.

Members of the musical chorus were Stephanie Hoff, Diane Regan, Jackie Jones, Marilyn Anderson, Karen Hinsley, Pat Knowles, Marilyn Lord, Beverly Nelson, Jane Staugas, Shorie Steere, Roger Dillahunty, Harry Wilson, Don Serina, Terry Crawford, Joseph Gray, James Grein, John Harris, Bruce MacRae, Jack Stewart, and Richard Riddle.

Dancers were Melanie Crone, Penny Grillo, Paula Kalustian, Jan Phillips, Christine Sager, Valerie Slaughter, Scott Crone, Terry Edlefsen, Rick Hubbard, Randy Krivonic, Ronnie Nickson, and Mike Rose.

Production manager was Paula Kalustian; stage managers were Cathy Bare and Jeff Keuscher; Robert Kagon was in charge of sound and Virginia Mastroianni and Elliot Holtzman were in charge of lighting.

# AMERICAN FIELD SERVICE

As my year as an AFS student draws to a close, I want to take this opportunity to thank all of Samohi's teachers and students for the wonderful time I had at their school. I think these past months are one of the highlights of my life. I had the opportunity to go to school with American students and listen to their teachers. No tourist will probably ever see and learn so much about America as I did going to Samohi.

One quite fascinating aspect for me is to see how much the Samohi student is involved in school activities. Nothing in Germany, even the professional soccer games, compares to the football games and the show during the halftime.

Now that I have to say goodbye to all of my friends, I want to say thank you again for everything you have done for me. I hope to see you again when I come back.

Thank you very much.  
Vielen herzlichen  
Dank!

*Hessie Cassel*

I have been trying for a long time to think of something meaningful to say to all of you. To try to sum up my feelings in one paragraph would be impossible because my AFS experience in Uruguay last summer will remain in my memory always. I think about my family and friends there so constantly that ink on a sheet of paper can never express my love and respect for their customs and ways of life.

Just reading about another country can never compare to actually living there and going to school with the teenagers there; everything was on a person to person basis, and the challenges I met were the same as they met in everyday life.

Now I know that through "walking together and talking together" we can and will some day have a world where peace and mutual understanding reign.

*Joanie Scott*
