30 YEAR REUNION

July 24, 1999

Santa Monica High School
Class of 1969 Thirty Year Reunion
July 24, 1999

Dear Class of '69,

Our 30th Reunion, the last reunion of the century, is now just a memory. But judging from the hugs and tears and shrieks of joy heard throughout the evening, it will be a very fond memory indeed. And so our thanks go out to all who were able to attend, regrets to our classmates who couldn't and sincere apologies to those who we simply could not find.

This memory book contains our most complete list of names and addresses for our class. Unfortunately, there are too many missing 'mates. We must continue to ask for your help in locating as many Class of 1969 grads as we possibly can. If you know of someone not on our list, please make an effort to let us know so that they can have a chance to join us at our next reunion.

And of course, if you move, you must let us know right away for it is a plain and simple truth: without each of you, there would be no reunion at all. Please keep in touch so we can all look forward to a time in the not so distant future when we can once again say...

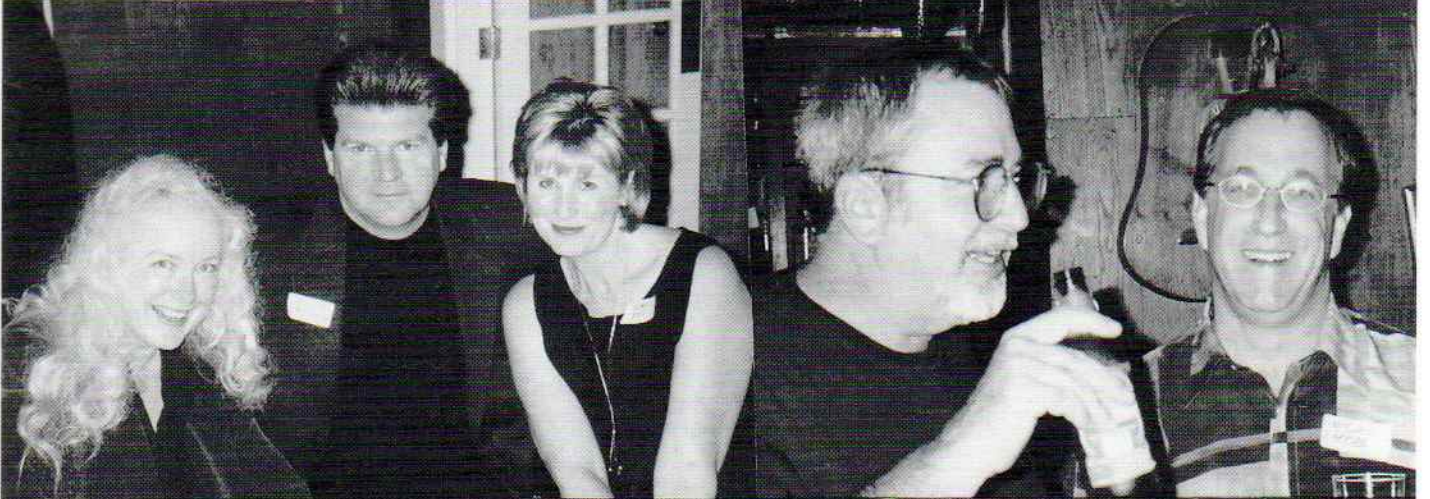

See you at The Beach!
